Dear Valued Community Partner:

It is that time of year again for Safe Harbor Support's fall fundraising event! This year, we are hosting a golf tournament that will be held at the Silverado Golf Club on October 7th.

For this event, we are seeking \$1,000 tee sponsorships for each of the 18 holes on the course. As a sponsor, your company's logo will be displayed on a tee box, and you will receive golf and lunch for four players which includes an open beer/wine bar. Prizes will be awarded to the top three teams. We are also seeking donations for raffle items. If you are interested in contributing and/or attending the event, you can either call or mail in your contribution at the number/address listed below. You can also purchase online at www.safeharborsupport.org.

This past year has been a time of remarkable growth for Safe Harbor Support! With our second year ending this past spring, we have already doubled the number of individuals we served in our first year:

- Over 500 families received our Project "CaRE" packets (Contacts and Resources for Emergencies), which have given us a valuable link to the community.
- Over 100 individuals have been served with personal and financial support including support groups and community workshops.
- Over 300 individuals from the private sector have been served through educational in-services on grief and sudden loss.

This past April, our new state-of-the-art, interactive website was launched, offering valuable tools and resources, including our Project "CaRE" packets. In addition, Karla Whelchel has become an active member of the Arizona Bereavement Alliance, as well as a monthly volunteer instructor for the Phoenix Fire Department.

As a contributor to our annual fundraiser, you will help ensure the continuum of our services to the Maricopa community. It was recently reported to us that Maricopa County is already experiencing a record-breaking year for traffic fatalities. The need for Safe Harbor Support's services is greater than ever right now! Please consider helping us as we continue our quest to meet this growing need in our community.

Sincerely,

Karla Whelchel
Founder and Director
